Major General E. K. Wright
Commanding General, MDW
Washington, D. C.

Dear General Wright:

In view of my departure from this Agency, I wish to take this opportunity to commend the splendid cooperation afforded CIA by CID Detachment Four of the MDW.

This cooperation, in the main, has resulted from the efficient and untiring efforts of Investigators A. J. Fitzsimmons and George Muse, who have assisted immeasurably the Security Office of CIA in the discharge of certain of its functions.

Sincerely,

S/

Walter B. Smith
Director
